SIGMA INVESTMENT HOUSE FCP - Short Mid-Term EUR - Class - A INTENDED FOR RETAIL INVESTORS (ISIN:LU0447425785)

a sub-fund of SIGMA INVESTMENT HOUSE FCP

This fund is managed by Andbank Asset Management Luxembourg

Objectives and Investment Policy

- The objective of the Sub-Fund is to increase the value of its assets over the short to medium term.
- The Sub-Fund will invest in debt securities and all sort of money market instruments, including deposits. Debt securities will include, amongst others, bonds, certificates, and commercial paper. These securities are short term and medium term obligations issued or guaranteed by banks, corporations and governments (their central, regional or local authorities, their agencies or instrumentalities or other government-related entities, a Central Bank and/or Supranational Institutions). The Sub-Fund shall not invest more than 10% of its assets in units of UCITS or other UCIs.
- The weighted average maturity of the investments of the portfolio will not exceed 3 years (the residual maturity of each investment does not exceed 5 years).
- The Sub-Fund is actively managed without reference to a benchmark
- Unitholders may redeem units on demand, on a daily basis.
- Notwithstanding the above provisions and if justified by the investment manager's expectations or exceptional market conditions, the Sub-Fund may invest up to 100% of its net assets in cash and cash equivalents, money market instruments government bonds (and/or money market UCITS/UCI).
- The Sub-Fund may use all types of financial derivative instruments traded on a Regulated Market and/or OTC for efficient portfolio management and investment purposes.
- Non-distributing units: any income generated by the Sub-Fund is reinvested.
- Please note that transaction costs may have material impact on performance.

Risk and Reward Profile

- Historical data used may not be a reliable indication of the future risk profile of the sub-fund.
- This category is not guaranteed to remain unchanged and may shift over time.
- The lowest class does not mean that the investment is risk free.
- This fund was categorised in risk class 1 because, in accordance with the investment policy, the value of the investments may scarcely fluctuate. Consequently, both the expected return and the potential risk of loss may be very slight. This indicator is based on the historical weekly volatility of Euro Overnight Index Average over the past 5 years and places the sub-fund in this category.

The sub-fund is subject to the following risks:

- **Credit risk:** the Fund invests in securities which are exposed to the risk that the issuer will be unable to meet its repayment obligations. The credit rating and risks associated with such securities can change over time and therefore affect the value of the investments.
- **Liquidity risk:** Securities may become less liquid during extreme market conditions and it may be difficult for unitholders to get redemption proceeds in a timely manner.
- **Counterparty risk:** Risk that the counterparty to mutually agreed contracts does not meet its obligations.
- **Operational risk:** Risk of material loss resulting from human error, technical faults, inappropriate procedures or controlling.
- **Use of derivatives:** The sub-fund invests in derivatives for hedging and other investment purposes, increasing or reducing exposure to underlying assets.
- **Currency risk:** Investments in securities denominated in currencies other than the Sub-fund's Base Currency may be subject to adverse fluctuation in currency exchange rates.
- **Market risk:** The value of assets in the Portfolio is typically dictated by a number of factors, including the confidence levels of the market in which they are traded.

Charges

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry Charges	2,00%
Exit Charges	2,00%
This is the maximum that might be taken out of your money before it is invested / before the proceeds of your investment are paid out.	
Charges taken from the fund over a year	
Ongoing Charges	0,69%
