SIGMA INVESTMENT HOUSE FCP - Credit - Class - A CLASSIC INTENDED FOR RETAIL INVESTORS (ISIN:LU1066281145)

a sub-fund of SIGMA INVESTMENT HOUSE FCP

This fund is managed by Andbank Asset Management Luxembourg

Objectives and Investment Policy

- The objective is to achieve income over the medium to long-term by investing principally in a selected portfolio of bonds and any types of debt and debt-related instruments issued by states, local governments, supranational, municipal and corporate issuers located in any countries, including emerging markets, and using financial derivative instruments where appropriate.
- The Sub-Fund shall not invest more than 10% of its assets in units of UCITS and UCIs. The sub-fund may invest up to 20% of its net assets in structured securities such as asset backed securities ("ABS"), mortgage backed securities or collateralized obligations with a pay-off linked to the relevant markets rather than actually investing in the markets.
- The sub-fund may use all types of financial derivative instruments products; in particular the sub-fund may take exposure through any financial derivative instrument, such as but not limited to warrants, futures, options, swaps (including but not limited to total return swaps, contracts for difference, credit default swaps) and forwards on any eligible underlying, such as currencies (including non delivery forwards), interest rates, Transferable Securities, a diversified basket of Transferable Securities, financial indices (including volatility indices) and UCIs/UCITS.
- The sub-fund may reach a maximum of 100% derivatives exposure (netted); the sub-fund's global exposure shall consequently not exceed 200% of its total net assets.
- Unitholders may redeem units on demand, on a daily basis.
- Non-distributing units: any income generated by the sub-fund is reinvested.
- Please note that transaction costs may have material impact on performance.
- *Recommendation: this Fund may not be appropriate for investors who plan to withdraw their money within 5 to 7 years.*

Risk and Reward Profile

- Historical data used may not be a reliable indication of the future risk profile of the sub-fund.
- This category is not guaranteed to remain unchanged and may shift over time.
- The lowest class does not mean that the investment is risk free.
- This fund was categorised in risk class 3 because, in accordance with the investment policy, the value of the investments may fluctuate slightly. Consequently, both the expected return and the potential risk of loss may be moderate. This indicator is based on the historical weekly volatility of Euro Overnight Index Average over the past 5 years and places the sub-fund in this category.

The sub-fund is subject to the following risks:

- **Credit and interest rate risks:** the value of debt securities may change significantly depending on economic and interest rate conditions as well as the credit worthiness of the issuer.
- **Liquidity risk:** securities may become less liquid during extreme market conditions and it may be difficult for unitholders to get redemption proceeds in a timely manner.
- **Use of derivatives:** derivatives may be used for hedging and investment purposes.
- **Currency risk:** the risk that an investment's value will be affected by changes in exchange rates.
- **Duplication of certain fees and expenses:** when investments are made in other funds.
- **Market risk:** The value of assets in the Portfolio is typically dictated by a number of factors, including the confidence levels of the market in which they are traded.

Charges

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.
