MAZE UCITS – Tikehau Strategic Focus High Yield Fund – Class ED HEDGED - INTENDED FOR ALL TYPES OF INVESTORS

(ISIN: LU2012067232)

a sub-fund of MAZE UCITS

Management Company: Andbank Asset Management Luxembourg

Objectives and investment policy

- The objective of the sub-fund is to generate high levels of income together with capital enhancement through investments in primarily U.S.-listed non-investment grade corporate bonds and floating rate notes issued by small to mid-cap companies.
- The investment strategy of the sub-fund is to invest mainly in high yield bond securities primarily in the United States. The sub-fund will seek to be invested in bonds and related securities issued by small to mid-sized American corporations.
- The Sub-Fund will invest in a diversified portfolio of medium to long term investments.
- Notwithstanding the above provisions and if justified by exceptional market conditions, the Sub-Fund may invest up to 100% of its net assets in cash and cash equivalents, term deposits, debt securities and money market instruments.
- Shareholders may redeem shares on demand, on a daily basis.
- The Sub-Fund shall not invest more than 10% of its assets in units of UCITS or other UCIs, including ETFs.
- The sub-fund may also invest in units of UCITS including ETFs, that invest in high yield bonds.
- The Sub-Fund may use financial derivative instruments for efficient portfolio management purposes, for investment/speculative purposes, and for hedging purposes as long as it remains in the best interest of the shareholders.
- Distribution of dividends: distribution of all income.
- Please note that transaction costs may have material impact on performance.
- *Recommendation: this Fund may not be appropriate for investors who plan to withdraw their money within 5 years.*

Risk and Reward Profile

- Historical data used may not be a reliable indication of the future risk profile of the sub-fund.
- This category is not guaranteed to remain unchanged and may shift over time.
- The lowest class does not mean that the investment is risk free.
- This fund was categorised in risk class 3 because, in accordance with the investment policy, the value of the investments may fluctuate slightly. Consequently, both the expected return and the potential risk of loss may be moderate. This indicator is based on the simulated historical weekly volatility of a reference portfolio over the last 5 years and places the sub-fund in this category.
- The risk category has been determined using the maximum risk limit allowed for this sub-fund.

The sub-fund is subject to the following risks:

- **Credit and default risk:** The Fund invests in securities which are exposed to the risk that the issuer will be unable to meet its repayment obligations. The credit rating and risks associated with such securities can change over time and therefore affect the value of the Fund.
- **Liquidity** issues associated with small cap issuers.
- **Use of derivatives:** the Fund invests in Derivatives for hedging and other purposes.
- **Currency risk:** the risk that an investment's value will be affected by changes in exchange rates.
- **Market risk:** The value of assets in the Portfolio is typically dictated by a number of factors, including the confidence levels of the market in which they are traded.
