This fund is managed by Andbank Asset Management Luxembourg

Objectives and Investment Policy

- The Sub-Fund seeks to achieve long-term appreciation by actively managing a portfolio made up of Spanish and Portuguese equities.
- The Sub-Fund will invest at least 80% of its assets in equities issued by companies domiciled in Spain or Portugal or listed on the official stock exchanges of such countries. The Sub-Fund may exceptionally invest in other European markets where those equities may also be listed.
- The Sub-Fund shall not invest more than 10% of its assets in units of UCITS or other UCIs.
- The Sub-Fund may use index-based financial derivative instruments that may reach till a maximum of 100% of the net value of the portfolio.
- The Sub-Fund is actively managed without reference to a benchmark.
- Unitholders may redeem units on demand, on a daily basis.
- The Sub-Fund may use all types of financial derivative instruments whose underlying will be Iberian equity indices or stocks.
- Non-distributing units: any income generated by the Sub-Fund is reinvested.
- Please note that transaction costs may have material impact on performance.
- *Recommendation: this Fund may not be appropriate for investors who plan to withdraw their money within 5 to 7 years.*

Risk and Reward Profile

- Historical data used may not be a reliable indication of the future risk profile of the sub-fund.
- This category is not guaranteed to remain unchanged and may shift over time.
- The lowest class does not mean that the investment is risk free.
- This fund was categorised in risk class 5 because, in accordance with the investment policy, the value of the investments may fluctuate somewhat sharply. Consequently, both the expected return and the potential risk of loss may be above average. This indicator is based on the historical weekly volatility of Euro Overnight Index Average over the past 5 years and places the sub-fund in this category.

The sub-fund is subject to the following risks:

- **Liquidity risk:** Securities may become less liquid during extreme market conditions and it may be difficult for unitholders to get redemption proceeds in a timely manner.
- **Counterparty risk:** Risk that the counterparty to mutually agreed contracts does not meet its obligations.
- **Operational risk:** Risk of material loss resulting from human error, technical faults, inappropriate procedures or controlling.
- **Use of derivatives:** The sub-fund invests in derivatives for hedging purposes.
- **Currency risk:** Investments in securities denominated in currencies other than the Sub-fund's Base Currency may be subject to adverse fluctuation in currency exchange rates.
- **Duplication of certain fees and expenses:** Where investments are made in other funds, this might result in duplication of certain fees and expenses for investors. Investors are also subject to potential risks associated with such funds.
- **Market risk:** The value of assets in the Portfolio is typically dictated by a number of factors, including the confidence levels of the market in which they are traded.

Charges

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry Charges	2,00%
Exit Charges	2,00%
This is the maximum that might be taken out of your money before it is invested / before the proceeds of your investment are paid out.	
Charges taken from the fund over a year	
Ongoing Charges	3,84%
