II.- Execution Criteria

When executing an instruction to buy or sell a financial instrument, including orders initiated by Andbank Asset Management Luxembourg (AAML) acting in its capacity of discretionary portfolio manager, AAML will act in the best interests of the funds under management and DPM (Discretionary Portfolio Management) portfolios at all times and will take all reasonable steps to obtain the best possible result for its funds taking into account the criteria and factors set out below:

- Price
- Costs
- Speed
- Likelihood of execution
- Likelihood of settlement
- Size of the order
- Nature of the order
- Any other consideration relevant to the execution of the order.

II.- Execution Criteria

- Andbank Asset Management Luxembourg (AAML) is owned at 100% by Andbank Luxembourg (AL) which is used as broker for fixed income and for other assets
- AAML doesn't have any special arrangements with any special venue in the meaning that no payments are made or received, discounts, rebates or non monetary benefits linked to the trading activity.
- The venue selection is made based on the approved authorized broker list
- AAML's clients are all professional investors. Order execution is the same for all investors.
- All venues are assessed from a Qualitative and Quantitative point of view
