

Curriculum Vitae

Carlos Aso Miranda

CEO

Carlos is the CEO of the Andbank Group.

He graduated with a degree in Higher Engineering in Computer Science from the Polytechnic University of Catalonia. He received an extraordinary award for the best academic record.

Carlos Aso has over 20 years' experience in the financial sector. He was an auditor at Arthur Andersen and Deloitte, working in the banking and insurance industry. He was also Project Leader at the Boston Consulting Group, working in the financial and private equity division.

For the last 12 years, he has held several positions of responsibility at Andbank. He was Deputy General Manager of the Bank until 2014 and CEO of Andbank Spain from 2015 to 2021, promoting the growth and integration of companies and teams (Inversis, Merchbank, Esfera, Degroof España), and positioning Andbank as one of the leading institutions in the Spanish market. He also headed up the creation of the neobank MyInvestor, the largest Spanish Fintech by business volume.
